ST. MATTHEW'S CATHEDRAL

Rhode Island at Connecticut Avenue, N.W.
Washington, D.C.

This Chapel is a replica of St. Anthony's Chapel in Padua, Italy. The altar of white Italian marble is in the classic style. The statue of St. Anthony with the Christ Child, executed in the Italian Tyrol, is of sculptured wood with a grey wash. The mosaics represent the Umbrian Valley and its hill-top made famous by the first Franciscans. St. Francis' famous *Hymn to the Sun* appears in panels below the mosaics.
